

BOCCE NEWSLETTER

NOVEMBER 18, 2024

We have Bocce lessons on Wednesdays at 3:30pm, along with regular Bocce play. On Saturdays, at 10:00am again lessons will be given and regular play. Lessons will continue each week (except for Thanksgiving) until just before Christmas. In just an hour, and with a little practice on your own, you will be comfortable taking advantage of some of the many opportunities we have to play Bocce.

Remember, we now have Red and Yellow Bocce Balls that can be seen clearly even by those who normally have trouble distinguishing colors. They will be used for both league and fun play.

The Tuesday Men's league will need another team this year since the Ballbusters have decided not to be a team. This is a chance for those that have no team to play on to now have a team to play on. Please contact Leo and he can help you set up a team for Tuesday's Men's league.

The Fun Mixed League on Monday afternoons at 2:00 has started. The Wednesday morning Women's Fun League has started. Wednesday afternoon Drop-In Bocce has started at 3:30pm. The Men's Travel Bocce team played their third pre-season match last Friday and won 1 and lost 2. You can reserve time to play bocce and pick up the equipment closet key from the Pro Shop.

The Bocce Committee met last Friday afternoon and discussed the coming season and all the league play. They also discussed what they would like to see in new Bocce Courts when they are redone. The committee will travel to see Highland Woods courts that were just redone. Members have also seen Rapallo's new courts when the ladies played there two weeks ago. Will keep you updated as the process moves forwards.

Please do not hesitate to contact Leo Greenstein (lgreenstein1402@aol.com) if you have any questions, comments, or suggestions.

Once again, welcome back everyone! Bocce is alive and well and being played in Worthington!
