Merry Christmas and Happy Hanukkah!

To all members of the Bocce community and everyone else in Worthington, The Bocce Committee wishes you and your family a very Holy and Merry Christmas and Happy Hanukkah!

We NEED A Few Good Men!

The Men's league on Tuesday afternoons starting in January and running through March needs a few more players for the final team. They have 4 players now and two or three more would be great. If you are not on a team and want to play, please contact Leo and he will help put you with this team for play in the Men's League starting in January. Lgreenstein1402@aol.com

The winter season leagues are just around the corner. Get ready to play some Bocce! Here are the dates when the league or fun groups will start:

Men's Travel League	1 team	Friday 1/3 at 8:30am
Ladies Travel League	2 teams	Monday 1/6 at 8:30am
Monday Mixed Fun Group	6 teams	Monday 1/6 at 2:00pm
Tuesday Men's League	12 teams	Tuesday 1/7 at 1:00 and 3:00pm

There are several other private groups that play weekly but there are still open times on the courts. The Pro Shop has the reservation book where you can check the availability of the courts, and you can reserve one or more courts for your own use. The key to the equipment closet is also at the Pro Shop.

Worthington will again be one of only a few clubs that will be using Bocce Balls with colors that can be distinguished easily by everyone. They will be available for both league and open play so everyone can try playing.

If you have questions or suggestions about additional leagues or groups, please contact Leo Greenstein at lgreenstein1402@aol.com
