Happy New Year and Happy Hanukkah!

To all members of the Bocce community and everyone else in Worthington, The Bocce Committee wishes you and your family a very Happy New Year and Happy Hanukkah!

The Tuesday Men's league needs a few more players to play on a bocce team or help other teams fill their rosters, this way we have 12 teams in the league, and no one has a bye each week. We have 7 players now on the new team but need 2-3 more to fill that team or other teams that are still in need of a few players. Come join the fun and be part of the Tuesday afternoon men's league. They play their matches at either 1pm or 3pm each week. Please contact Leo Greenstein at lgreenstein1402@aol.com Thank You for your help with this!

The winter season leagues are just a week away. Get ready to play some Bocce!

There are several other private groups that play weekly but there are still open times on the courts. The Pro Shop has the reservation book where you can check the availability of the courts, and you can reserve one or more courts for your own use. The key to the equipment closet is also at the Pro Shop.

Worthington will again be one of only a few clubs that will be using Bocce Balls with colors that can be distinguished easily by everyone. They will be available for both league and open play so everyone can try playing.
