

# TENNIS NEWSLETTER

## November 18, 2024

The meet and greet took place last Thursday and it was once again a wonderful event. After Merc and I introduced the many volunteers who make our program successful everyone had a chance to eat and mingle. I can't thank the volunteers enough as they are the backbone of a tennis club.

Peak season is from November 1 to April 15. During that time, no guests are allowed to play until 11am. Off season there is no restriction. Reservations for the Doubles Social will be cut off at 25. The next scheduled social is December 7th which is going to start at 3pm. This event will be preceded by the Ladies Christmas Round Robin on the 4th which starts at 9am with lunch to follow. Lunch is being organized by Marge Grote so I just hope the tennis will be as good!!

**Tip of the Week: If you didn't get a chance to see the pros last weekend you get another chance on Friday at Bonita National at 4 pm. Go east on Bonita Beach Road as it's the last club on the end. It's a great opportunity to see how the pros play different shots and points. They also have mixed doubles as well**

**See you on the courts, Mike Barnes (Tennis Pro).**
