GROUP PICTURE FROM THE DOUBLES SOCIAL

The season ending doubles social was another fun affair that saw plenty of good tennis. The round robin format allows players to meet and play with different players of varying degrees. The camaraderie continued afterwards with drinks and dinner at the Cabana. This is merely an extension of the benefit tennis brings to the community.

Stroke of the week this Tuesday at 11:00 am, is the drop shot. Contact me to register.

Anyone in need of having their racquet restrung or regripped, let me know as I can provide these services.

Tip of the week: To piggyback on the stroke of the week which is the drop shot, it's important to know when to use it and how. It's being used quite often on the pro tour and the touch they display is extraordinary.

See you on the courts, Mike Barnes, Tennis Pro.
